The LILRC FirstSearch package includes 12 OCLC Base Package databases and the *Wilson Select Plus* full-text database. Full-text articles from the *Wilson Select Plus* database are accessible without additional charge. Subscribing libraries also have the options to add any or all of the "per-search" databases by purchasing "block of searches." In addition, all subscribing libraries receive the regional catalog LILCat (Long Island Library Catalog) at no extra cost. Please contact LILRC office at (631) 632-6659 for subscription price.

Databases may be added to or removed from this list according to their availability on OCLC FirstSearch. For the most up-to-date information, please visit FirstSearch documentation site at <http://www.oclc.org/firstsearch/content/databases/>
