## FEATURES

### ***Wii Sports Disc (5 games)***

Play Tennis, Baseball, Golf, Bowling and Boxing in the comfort of one's living room. Use the Wii Remote controller to mimic the actions of swinging a racket, bat or club, roll a ball down an alley or bring the left jab.

### ***Wii Console***

- Wii packs 4 controller ports and 2 Nintendo GameCube™ Memory Card slots to make it fully backwards compatible with all Nintendo GameCube™ titles.
- Up to 4 Wii Remotes can communicate with Wii. And Wii links to your TV with an AV Multi-output port featuring component, composite or S-video.
- Wii communicates wirelessly with the Internet via your router or a Wii LAN adapter. Wii also connects wirelessly with Nintendo DS.
- Wii is driven by 2 cutting-edge processors from the best in the business - a PowerPC CPU developed with IBM and a custom GPU from ATI.
- The SD memory card slot means you can enjoy slideshows of your favorite photos on TV. Drag an MP3 onto the card, and you can have a soundtrack as well!
- The slender Sensor Bar works silently with your Wii Remotes to turn those arm waving moves into game-winning moves.
